GAMES DESCRIPTIONS (Judge's briefing on Day of Trial supersedes any previous briefing):

Tunnel Jacks (Saturday)

Tunnel Jacks is played like the children's game of jacks. The performance of a pipe tunnel is the bounce of the ball. All other obstacles on the course are jacks and have specific point values. After the bounce the team begins with "onsies" then "twosies"...and all the way through "sevensies", time permitting. Tunnel Jacks is scored Points, then time.

Super Dog (Saturday)

SuperDog is a strategic dog's-choice point accumulation game. In concept it is based on the old PACMAN computer game that if the smiley ate a "power pill", it could move faster and gobble up things in its path. SuperDog is scored Points, Then Time.

Lucky 13 (Sunday)

The object of Lucky 13 is to collect as many points as possible while correctly performing a total of 13 obstacles – no more, no less – with the thirteenth obstacle being the tire.

Jumpers (Sunday)

Jumpers courses consist only of hurdles and tunnels. The dog is required to run the course in the sequence indicated by the judge.

All games are taken from:

- TDAA Website (Games Briefings): <http://www.k9tdaa.com/documents/Judges%20Briefings/>
- Bud Houston's blog: <http://budhouston.wordpress.com/>
- "The Clean Run Book of Agility Games. Second Edition" by Bud Houston

ENTRY ELIGIBILITY

This trial is open to all dogs over the age of 12 months, measuring 20 inches or less at the withers, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

WARM-UPS: A warm up area, consisting of (at least) a regulation agility jump, shall be provided for all exhibitors

How the Fast Track Move-Up Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. Likewise, it is possible to move up from Games I to Games III by earning qualifying scores in both of the lower two levels.

A qualifying score in the lower class is required to move up to the next higher class. *You must submit a copy of title certificates for each dog.* Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable.

HEIGHT DIVISIONS

(PLEASE NOTE : NEW RULES STARTING IN 2015 WILL BE IN EFFECT FOR THIS TRIAL)

Owners are responsible for entering the proper height division. Judges of record reserve the right to measure dogs entered in any trial. **As of January 1, 2015, height divisions are used for scoring only. Handlers will be allowed to choose, at their discretion, the actual jump height their dog will perform. Height Exemptions for Body Type or Age are no longer in effect**

- 2" jump height: for dogs with a jump height exemption measuring 4" or less at the withers
- 4" jump height: for dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less
- 8" jump height: for dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less
- 12" jump height: for dogs measuring 16" or less at the withers; or dogs with a jump height exemption measuring 20" or less
- 16" jump height: for dogs measuring 20" or less at the withers.

A team may elect to jump at any height. However, all dogs will compete against the field of dogs in the height class that they measure into based on their height at the withers.

Veteran Dogs – A jump height exemption (next lower height) will be granted to veteran dogs. A veteran dog is a dog of at least 7 years of age. There will be no special system of titling for veteran dogs. In addition to the jump height exemption, veteran dogs receive an extension in standard course time. 4” veterans receive an additional 4 seconds while 8”, 12”, and 16” veterans receive an additional 2 seconds. **You must mark veteran status on entry form or it will not be used by the trial secretary for scoring.**

Dogs given an exemption to a lower jump height will be able to earn qualifying legs and all TDAA titles. Any dog jumping with a jump height exemption listed above, including veteran exemption, competes against the field of dogs in the height class that he measures into based on his height at the withers. Only one jump height exemption for body type will be allowed; dogs may be given a second exemption only for Veteran status. **Be sure to mark exemptions on the entry form.**

FEO - (For **Exhibition Only**) – Teams running FEO will have a maximum of 1.5 times the standard course time in the ring. The dog may be on a leash as long as the handler is careful not to get it caught on any obstacles while in the ring. Teams may not repeat any contact obstacles (no training allowed) while running FEO. No food or toys allowed in the ring.

Disabled Handlers - A time exemption will be granted to disabled handlers amounting to 4 seconds over standard course times. The proof of disability shall be the handler’s disability parking tag or other official documentation, which should be enclosed with the entry or presented at check-in to the trial secretary. There will be no special system of titling for disabled handlers.

VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. By its very nature TDAA is small. Small dogs, small equipment, small trials, small number of handlers. We need all hands to make a small trial work. Please sign up to volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running TDAA and at the same time helping to make the trial run smoothly.

If you are able to help, please indicate the job (s) you are willing to do.
